

Local Youth Groups & Projects Charity Fundraising Confidential Waste Shredding Event

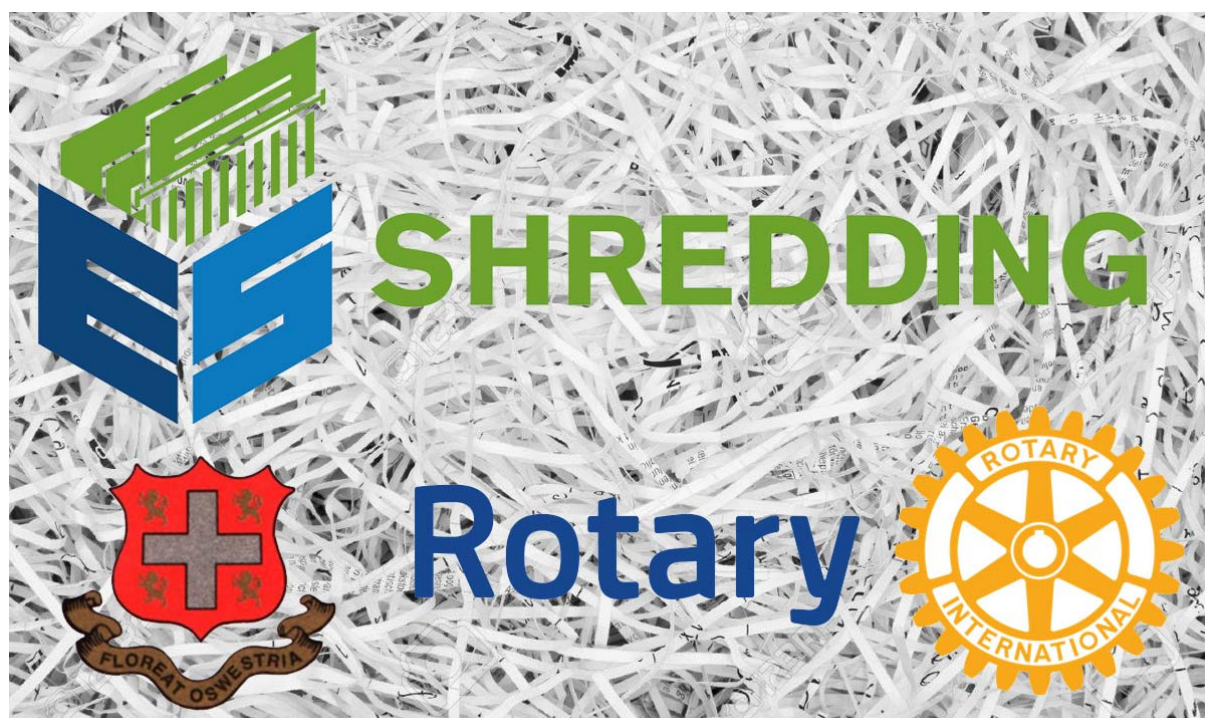

6th September 2019

9:30am - 3:00pm (weather permitting)

**outside The Guild Hall, Bailey Head, Oswestry
as part of Oswestry Town Council's Charity Market**

The Rotary Club of Oswestry and The Rotary Club of Oswestry Borderland are working together with the generous support of Oswestry Town Council and EVAStore Document Management to provide a charity fundraising event to support youth organisations and projects in Oswestry.

Calling businesses, shops, offices, private homes . . .

. . . for a donation of only £5 for up to 10kg of paperwork per person, EVAStore will professionally and securely shred your confidential documents on site for you and issue a secure destruction certificate if required.

It is anticipated that with this and other fundraising events, donations and sponsorships we will be able to build up a fund that is increasingly able to provide financial support to local youth organisations and projects in Oswestry.

**We look forward to meeting you with your paperwork
on Friday 6th September!**
