### Philippines Typhoon Haiyan Emergency Appeal

We would like to thank the people of THORNHILL & SANQUHAR for the support in our street collections Saturday 16<sup>th</sup> November 2013 we collectively collected a fantastic amount of: **£1170.30**

Plus with our own club donation and two very generous anonymous donations brought the total on the day to: **£2200.00**

With the help of: [www.thebiggive.org.uk](http://www.thebiggive.org.uk) we were able to match fund a large percentage of our donation bringing the grand total to:

**£4237.50**

Without your support we couldn't have achieved this amazing result and in turn send funding towards Water Survival Box & ShelterBox

([worldwaterworks.org](http://worldwaterworks.org) Charity No 1116432 Company No 5903142)

The Water Survival Box is a fully paid for product full of new items and does not need filling by external organisations. The new items will be tailored to suit the disaster locations. The cost of a survival box is £150.00 (inclusive of airfreight costs). Purchases can be made online and we would appreciate your support. WorldWaterWorks is managed by the Rotary Club of Chelwood Bridge.

ShelterBox started as the brainchild of one Rotarian with the support of his Rotary club in 2000. Rotarian support currently contributes an estimated 50% of ShelterBox donations. Around 5,000 rotary clubs worldwide have supported ShelterBox since it was launched. ShelterBox Trust is a registered charity (1096479) and a limited company in England and Wales (04612652, VAT registered 777524785). ShelterBox is a charity independent of Rotary International and the Rotary Foundation.
