

# We're for communities

**Rotary**  
Club of Minehead &  
The Quantocks

Are you?

## Corporate Membership Programme

Our Corporate Membership Programme allows a local company or organisation to become a member of our Rotary club. The company identifies up to four company representatives (designees). After successfully completing the Club established membership approval process the designees can attend club meetings, serve on projects, and vote on club matters. The Rotary Club will give the designees the necessary training in Team Building, Project Management, and Health & Safety to help them run our Rotary Action Projects.

# We're for business in our community

## **What's in it for me?**

The rewards of membership the Business and its employees will receive are varied and vast! For example:

### **Corporate and Social Responsibility**

CSR is all about companies acting responsibly, ethically, legally, and with respect for the community and the environment; all of which are in keeping with Rotary's own guiding principles. By getting involved in our community projects you will enhance your company and your designees standing within the community.

### **Personal Development and Growth**

Our Club will help your designees develop leadership, public speaking, social, and vocational skills. Many Businesses have reported a marked improvement in skills such as event management, time management, teamwork and leadership.

### **Business Networking**

Networking opportunities are endless. Rotary consists of a wide cross section from every business community and its members come from all walks of life. Our Club has close links with Clubs in France and Germany giving opportunity for your designees to meet employees and visit businesses outside of the UK.

### **Vocational Exchange**

Varying in length from 3 weeks to 3 months this programme gives your designees the opportunity of vocational placements overseas that match their plans and aspirations.

### **Giving Back to the Community**

Joining our Club gives you the chance to make a difference, be it by fund raising for a local charity, volunteering at an event, or working with young people.

### **Fun and Friendship**

Our members have a lot of fun! Our club arranges activities which gives our members the chance to forge new friendships with like-minded people who share common goals.

*Why not make our Club your Club.*

*Together we can make a real difference*
