With great regret, I have had to cancel the competition due to lack of entries.

Our Event & Entertainment Programme

Not too long now:

Saturday 6th April, Definitely half time! (3:45pm-ish)
Pirelli Parade, the most important fundraiser of the year

This year will take place around the pitch at half time of the match between Burton Albion & Barnsley. Not long now to **Monday 18 March** for Sponsors who have signed up for a board to have their names printed in the match programme and be entered into a prize draw for 4 hospitality suite tickets, so **GET SELLING** and give their names to Carl **ASAP!!**

One final push to make this year's Parade the most successful for a long while, to enable us to support all the charities & causes that we would like to.

Carl is still looking for more "board carriers" who get a free ticket to the match for their efforts, so if you haven't signed up yet, pl. speak to Carl.

... an event for your diaries

Friday 10 May, 12:00 noon

French themed meal at the Mulberry Restaurant

The food will be French style, the theme is 'Allo 'Allo, and we are asked to wear our best (worst) wartime French clothes and speak with cod French accents. Tickets will be on sale shortly and as places will be strictly limited, it is recommended that you get them early!! Bag-sie be the English policeman - God moaning!
