SERVICE ABOVE SELF

WE ARE FOR COMMUNITIES

People join Rotary for many reasons, including community involvement, personal development, professional networking and camaraderie. But perhaps the most important benefit is the satisfaction Rotarians gain from making a real difference in their community and the world.

WE GIVE SOMETHING BACK

Rotary brings together people from all walks of life who want to use their expertise for good works. People whose sense of responsibility inspires them to give back to their community. Together we can empower youth, improve health - like the eradication of polio - and promote peace in all corners of the globe.

WE HAVE FUN

WE MAKE A DIFFERENCE

We make great things happen - whether it's raising funds for vital pieces of equipment or helping the homeless get off the streets of Richmond; whether it's taking disadvantaged children for a day out, or encouraging new skills and experiences for young and old alike.

Rotarians help to save lives around the world by using their skills to respond to man-made and natural disasters and by getting involved in conflict resolution and refugee rights; by using their influence to address child poverty and human trafficking; and by empowering people to improve their lives.

Come and be a part of the largest service organisation in the UK.

WE ARE LEADERS

WE THINK BIG

We are a small and active club. Locally, we concentrate on youth projects, schools, community groups, charities and with students of the Royal Botanic Gardens, Kew, whose Director is an Honorary Member of the Club.

Our international projects support Rotary's focus on water and sanitation. We are leading the Rotary work on assisting a local charity build sand dams in arid areas of the world. We are also regular contributors to disaster relief through Shelterboxes and Aquaboxes.
