

The Rotary Club of Chichester Priory is delighted to sponsor this, its sixth annual Sporting Night, to be held at Chichester College. The last five years' events have raised over £50,000, which has been distributed to youth organisations in the Chichester area.

This Sporting Night has two clear objectives. First, to be highly enjoyable for competitors and spectators alike, and second, raise funds for youth organisations in Chichester, many of which continue to struggle to make ends meet in these times of cuts to funding.

We are particularly looking to support the *St. Gerard's Amateur Boxing Club* and the *Chichester Boys' Club*, both of which do sterling work with our young people. These organisations introduce boys (and girls) to the discipline of boxing, something which will stand them in good stead for the whole of their lives.

Especial thanks are due to Chichester College and St. Gerard's Amateur Boxing Club for their enthusiastic support and help in organising this event ... and I also look forward to welcoming an equally enthusiastic audience!

During the past 28 years, The Rotary Club of Chichester Priory has helped many people, both young and old, nationally and internationally. Substantial funds have been raised for community projects at home and abroad, whilst practical help has been given to assist young people to prepare for careers in various walks of life.

To learn more about our Club call me on **01243 572012**, or Ray Richardson on **01243 543701**.

Mike Harvey

President, The Rotary Club of Chichester Priory
