

# Rotary Club of Odiham and Hook

Charity Number: 1068197

## Childrens Competitions

Children at our local schools are now (hopefully) working away at our annual Rotary Youth competitions.

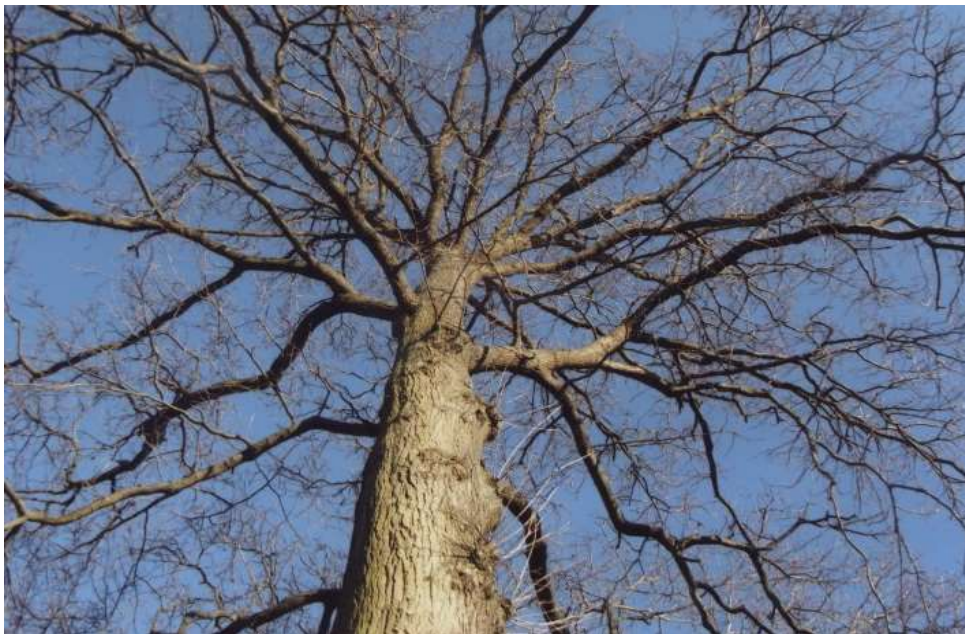

The first, with a completion date of 1<sup>st</sup> March, is the Young Writer competition in which Hook Junior School has had many successful entries over the last few years.

Will they live up to their past and produce another winner for us this year, or will this year be the turn of Mayhill in Odiham, or Long Sutton Primary?

The other competition, for which we have also had some excellent entries in previous years is the Rotary Young Photographer. Entries this year are not due in until 8<sup>th</sup> March, so there is still time to get your cameras (or phones!) out.

All entries will firstly be co-ordinated by each school before passing to us to pick which we think are the best before forwarding them on to our Rotary District level.

Below is last year's winning entry by Anna Harry from Hook Juniors.

## Help Rotary Rid the World of Polio

The latest news on Polio Eradication is that for the beginning of this year (up to 6<sup>th</sup> February) only 2 cases of Wild Polio Virus were reported globally (1 in Afghanistan and 1 in Pakistan). Last year at this time there were 3 reported cases, all in Afghanistan. Let's hope this is the start of another very good year in our campaign - always getting closer to the end target of zero!

If you would like to know more about Rotary or come and visit our club to see what goes on, just go to [www.odihamandhookrotary.co.uk](http://www.odihamandhookrotary.co.uk) or Just Google "Odiham and Hook Rotary"
