The Rotary Club of Bognor Hotham

Rotary brings together people like you, from all walks of life, who want to use their experience and knowledge to help others in less fortunate circumstances.

Sometimes that is all it takes – knowledge and help – but it can work miracles for those in need.

Our Rotary Club of Bognor Hotham can usually offer a little money to help deserving causes.

Christmas Float collections are returned to the local community as donations to those in genuine need of financial help – perhaps for a wheelchair, or wheelchair access, dictionaries for schoolchildren, an away day from stress, help for local youth clubs, or a training course to improve the standard of life.

The 10K Road Race and our other collections enable us to offer help in eliminating polio worldwide and improve health, alleviate poverty, and support education both nationally and internationally.

We try to make a difference.

Could you make a difference?

Could you help us? We are a mixed group of people all willing to give a little time to help others. We meet locally, enjoy a meal, and discuss future plans and club social events.

You can find out more about our activities by viewing our Facebook pages and website.
