THEY HIT THE RIGHT NOTE!

Six outstanding young musicians from three local High Schools are now confirmed for progression towards the District Finals of the national Young Musician Rotary competition. The three local Rotary Clubs (Carnegie, Dunfermline & West Fife) jointly organised the heats, hosted by Dunfermline High School, and were delighted that Dunfermline HS, Queen Anne HS and St Columba's all agreed to participate by sending their best vocalists and instrumentalists. The experienced judges, Frances McCafferty and Paul Wickham, were "absolutely delighted by the performances and the excellent standards set" and provided all participants with very constructive feedback sheets to aid further improvement. The successful vocalists were Elizabeth Donaldson & Molly Jamieson (both Dunfermline HS) and Freya Riley (St Columba's). The instrumentalists proceeding were Robert Shorthouse McLaughlin, Matthew Leitch & Rory Stewart (all from Queen Anne HS).

Thank you from Pitreavie Primary School

Following on from the presentation last week by Ailsa Swankie and Janet Haldon, we agreed to donate £250 to Pitreavie Primary School to help fund the Nordoff-Robbins therapy. Ailsa has sent this reply.

Please accept our very grateful thanks for the cheque for £250 received today towards our Nordoff Robbins sessions.

The Music Therapy sessions are very well received by the children in our Additional Support Classes and their families, and your contribution is very much appreciated

Kind regards

Ailsa Swankie
