What is Rotary?

Rotary is an extraordinary group of men and women who are committed to giving something back to the community. We are the single largest organisation dedicated to humanitarian service in the world. We are 33,000 clubs in more than 200 regions. We are non-political and non-religious. We are open to all cultures, races, and creeds. And, here in Wilton, we are growing all the time.

Every single one of Rotary's 1.2 million members uphold the Rotary motto, 'Service Above Self' – in the community, in the workplace and throughout the world. It's about encouraging high ethical standards, building goodwill and peace in everything we do.

From championing change in the community, to driving best practice in the workplace - Rotary is an opportunity for you to tackle the issues that are important to you.

The Stars Appeal NICU Family Accommodation Project

How We Help Local Charities

Everyone in Wiltshire has a stake in the **Wiltshire Air Ambulance**. It's an essential service that serves the entire community. That's why we are proud to support it. When the speed of the helicopter and the skill of the crew play a major part in the outcome of the patient, the Wiltshire Air Ambulance responds quickly and effectively to save lives.

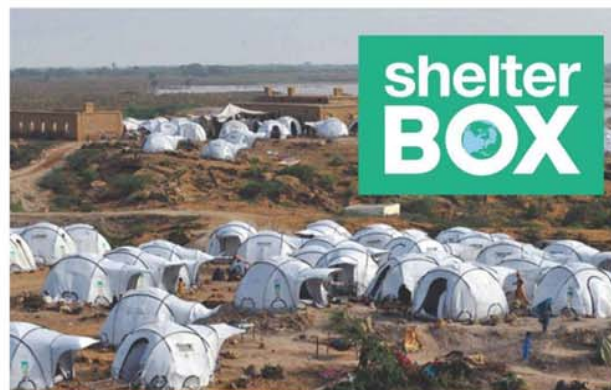

The **Stars Appeal** is Salisbury District Hospital's charity. It raises money to create the best possible experience for patients and their families by funding extra care and equipment, over and above that provided by the NHS. We believe it's a worthy cause. Our recent fundraising efforts, in partnership with Rotary sponsor Bloor Homes, have focused on a £350,000 appeal for family accommodation at the hospital's Neonatal Intensive Care Unit. Together with Bloor Homes, we have contributed towards much needed family accommodation for the parents and siblings of premature and critically ill babies.

How We Help Communities Overseas

ShelterBox was founded by Rotarian and former Royal Navy search and rescue diver, Tom Henderson. He saw that the aid response to most disasters was in the form of food and medicine to help people survive the immediate aftermath. Often, little or no assistance was given in terms of proper shelter to help them through the first few days, weeks and months, as they tried to rebuild their lives. Tom launched ShelterBox to fill that void, and we are delighted to support his cause.

Pakistan 2010. ShelterBox provided shelter, warmth and dignity to thousands of families.

Since 1988, Rotary International and its partners in the **Global Polio Eradication Initiative (GPEI)** — the World Health Organization, UNICEF, and the U.S. Centers for Disease Control and Prevention — have worked to wipe polio from the face of the earth. Rotary began immunising children against polio in 1985. Three years later, Rotary

became a spearheading partner in the GPEI. Rotary's main responsibilities are fundraising, advocacy, and volunteer recruitment. To date, Rotary has contributed more than US\$900 million to the polio eradication effort. Every year, we continue to donate to this cause.

How We Raise Money

For over 20 years, **ROTARY SPIREWOKS** has been the premier annual Charity Bonfire and Fireworks Display in the Salisbury & Wilton area. Each year, the event grows in popularity, which means that each year, we can raise more money for charity. Currently, we hold the display at Salisbury Livestock Market by kind permission of Southern Counties Auctioneers. We produce the event in association with SpireFM and we are delighted to say that Bloor Homes have been our principal sponsor for several years.

Our first **MAMMOTH CAR BOOT SALE** took place in 1982. Today, it attracts nearly 10,000 buyers and over 500 sellers. That makes our annual car boot sale one of the largest of its kind in Southern England. Now it is held every August Bank Holiday Monday in the grounds of Wilton House by kind permission of our Honorary Member, Lord Pembroke and the Wilton House Trust.
