Rotary North East

## A MONTHLY CHRONICLE OF EVENTS IN ROTARY DISTRICT 1030

From the District Governor...

### Toronto, Monday

Jacqui Molyneux, Christine and I are enjoying the plenary sessions at Convention where speakers include former First Lady Laura Bush, Ann Gloag, Helen Clark ex New Zealand Premier and Princess Anne.

There is also a press story that Justin Trudeau will attend. To some of us it may seem incredible that Rotary can attract high-level speakers but such is our reputation that they often want to be associated with Rotary.

Coming back down to earth in the North East, the challenge facing us all is how to get Rotary known in our towns and cities, let alone worldwide. There is no simple answer but as with most problem solving it starts with looking at where we are now and then where we want to be; and how to get there.

Clubs the length and breadth of the North East have their community projects, some long established, which are carried out with little fuss or publicity. This is one area we can change. Can we get some press coverage? If we have tried once then try again. Working with other groups will increase awareness, and just as important, will help break down misconceptions about Rotary.

As more people realise Rotary is working for their community we can then look for the membership dividend of like minded people. I am not naïve enough to think it will fall into our laps; it will need work and persistence, not to mention inspiration and perspiration.

At the start of this new Rotary year I am looking forward to seeing Rotary in action, both home and away.

Best wishes  
Stewart Atkin

### ShelterBox and District 1030

We all know that Shelter Box is a wonderful charity and that it was founded out of a Rotary initiative. That link between ShelterBox, now an independent charity, and Rotary is alive and well.

I am pleased and proud to be the representative in district 1030 for ShelterBox. I have a ShelterBox and its contents along with illustrative materials available to display or exhibit wherever requested. I am also willing and able to travel to any Rotary club in our District to outline, update, inform, advise on matters to do with ShelterBox.

Clubs wishing to use the Box, its materials, tent etc included, are free to contact me at any time.

For want of a better project then why not Shine a Light on International events with a solar light, (which is part of the equipment in the Box).

Please contact me for further details or dates.

#### Advertising

*We are now accepting adverts for publication in Rotary North East magazine, published twice yearly. The magazine has a print run of 2,000 copies, and is distributed to over 16,000 individuals throughout the North East.*

*Should you wish to place an advert, a list of terms and conditions, together with sizes and prices, is available from the editor at [brianshaw6@sky.com](mailto:brianshaw6@sky.com).*

## Dragon Boat Event 29 July 2018

This event is run by Dragon Boat Events and organised by 6 Rotary Clubs in the Tyne/Wear Area and proves that working together we can promote Rotary to the public, but we do need your support with more and more teams

You do not need to be expert at paddling, or as fit as an Olympic rower to take part in the next Rotary North East Dragon Boat Event, being held at Hetton Lyons Country Park. You could join up with other Rotary Clubs. You do not even have to take part, you could sponsor a local club.

It's £400 to enter a team of preferably 20 people, 1 drummer, 16 paddlers and 3 spare paddlers, which you will need as you progress through the heats. This may seem a lot, but divided up by 20, it's £20 per person, a lot cheaper than the Great North Run. The big advantage is that all money you raise through your sponsorship goes to the charity of your choice, There is no minimum or maximum you have to raise and Rotary North East does not take a penny of your sponsorship. **They organise the event, so you can support your local charity.** If you so desire, just enter the team for fun, your choice, just have a fun day.

*Last years winners, were from the Round Table.*

# DISTRICT CONFERENCE 2018

In 2018, District Conference will be held between Friday 5 and Sunday 7 October at The Majestic Hotel, Harrogate. HG1 2HU.

## Conference Hotel

A significant change in 2017 was that the plenary sessions were held in the main ballroom, meaning that the entire conference was held on one level, thereby dispensing with any access issues or climbing up and down flights of stairs.

This proved to be an unqualified success with many favourable comments from delegates. However, to maintain this preferred arrangement, **we have a maximum capacity of 320, so please book early to avoid disappointment**

## Speakers and Entertainment

The District Conference Committee, working with District Governor Elect Stewart Atkin, is assembling a fabulous programme of speakers and entertainment, intended to inspire, motivate and entertain. They already include:

**Tricia Stewart**, the original Calendar Girl, an incredibly inspirational, motivating and amusing speaker, played on screen by Dame Helen Mirren and on stage by everyone from Linda Bellingham to Anita Dobson!

**Judge Peter Armstrong** will entertain delegates with humour, anecdotes and his experiences, whilst practising and sitting in the North East legal circuit

**The fabulous Persuaders** return to transport you back to the 1960's as part of the District Governor's Ball

**Leo Cheng**, surgeon who volunteers on **Mercy Ships**.

**Mel Pears**, retired Commanding Officer, Personnel Recovery Unit, Catterick.

**Abi Atkinson**, whose Kingsway Outdoor Centre hosts our annual RYLA event.

**RotaKids** from Saltburn by the Sea.

Friday night entertainment will be a speaker on Kynren a celebration of English history, and a military band.

## Cost to Delegates

Registration Fee Payable by all conference attendees is £30 and is **non-refundable**.

The Conference fee is an inclusive fee covering two nights' accommodation at The Majestic Hotel Harrogate, meals i.e. Friday Dinner, Saturday breakfast, Gala Dinner, Sunday breakfast and entertainment. The cost is £153 per person.

Delegates arranging their own accommodation wishing to attend:

Friday Dinner and entertainment, the cost is £32 per person.

Saturday Gala Dinner and Dance the cost, is £32 per person.

## Booking and Payment

Registration opened on 1 January 2018 (Registration forms can be downloaded from the District Website).

Registration Fee(s) of £30 dated at time of registration.

Conference Fee Cheque for half of the cost of accommodation £77 dated 1 July 2018.

Conference Fee Cheque for second half of accommodation £76 dated 1 September 2018.

Those delegates who prefer to do so may send an accompanying cheque for the full amount dated as day of sending i.e. £183 per person.

## Rotary Washington - Community Award

This year instead of looking for a member of the public in the Washington area, Rotary Washington decided to look no further than one of their own Rotarians and awarded the Rotary Washington Community Award 2018 to Neil Mconie.

Neil works tirelessly with the community as their Community and Vocational Chairman, promoting Rotary, while also helping others. He involves school children with Rotakid's and fund raising projects for water aids to Gambia and India and also their own projects. One Rotakid club have their own Parliament, with a PM and MPs. He arranged for the local MP, Sharon Hodgson to visit and explain how Parliament works. He continues to liaise with Washington Primary Schools in the hope more will set up Rotakid's Clubs and Secondary Schools for a first Rotaract or Interact Clubs.

His latest project is the setting up of a Memory Café., involving senior citizens and primary school children, next to Barmston Primary School. The first few meetings have been a tremendous success.

President Bill Stephenson presented the award, taking Neil by surprise, as he was about to propose other worthy local people.

## International visits to Middlesbrough Erimus

Twenty two visitors from Rotary clubs in Holland, Germany and Poland attended the events in Middlesbrough over the weekend .

Recently, a business meeting of the clubs agreed to donate a total of €4000 to a project in Tanzania. Every year the weekend is hosted by one of the clubs and that club decides which charity will receive the €4000. Visitors were taken to the Transporter Bridge and shown some of the Industrial landscape around the River Tees.

## The Maserani Project

The Maserani Project ([meserani@hotmail.co.uk](mailto:meserani@hotmail.co.uk)) is a unique 'home grown' charity, inspired by the pupils, staff and parents of Acklam Grange School in Middlesbrough, in the Meserani area of Tanzania. This is an area of East Africa where secondary and further education is not easily accessible to the young people of the region due to extreme poverty and family circumstances.

Rotary Middlesbrough Erimus have long been associated with this project, mainly by sponsoring children into, and through, secondary education. They are now teaming up with their sister clubs from Groningen in Holland, Limburg in Germany and Inwero claw in Poland, by providing €4000 for the provision of water harvesting systems, as there is no piped water in the region, thus allowing adequate amounts of water to be collected and stored in the rainy season. Additionally solar power systems will now be installed, giving pupils the opportunity to engage in private study each evening, as there is no electricity supply to the area.

The project uses volunteers from the UK to work with local craftsmen, and is overseen by recently retired teacher from Acklam Grange, Peter Swan and his wife Diane.

## THE TALL SHIPS AND ROTARY

The District Council recently voted to support The Tall Ships Working party application for a prime exhibition site at the Tall Ships event taking place in Sunderland from 10th to 14th July this year.

Now what had been an aim becomes a target! Under the banner Rotary North East a marquee will be on the site featuring high standard displays of Rotary projects such as Polio, Aquafilter, RYLA and others. The working party is keen to feature youth and community projects undertaken by District 1030 clubs.

Now is the time for your club to start thinking about the projects it has undertaken and can they be shown as high quality exhibits. A DN has now been issued and is reprinted below. inviting clubs to submit projects for the Rotary North East marquee.

Of course the marquee has to be manned for four days 10am to 10pm so a DN will also be going out requesting volunteers to help man the site.

The Tall Ships will be the best opportunity Rotary has this year to engage with the public. Visitor numbers are expected to 1.5 million!

*John McLoughlin*  
CPI

**Over 50 vessels will be there and 1.5 million visitors anticipated.** This is an outstanding opportunity to promote Rotary. We will be the face of Rotary International.

§ For the four days of the event the exhibition will need to be manned between 10am and 10pm each day. The requirement is for three shifts of six people each per day – (10am – 2pm), (2pm – 6pm), (6pm – 10pm)

§ A Rotary leader will be in attendance each day.

§ If you hesitate the opportunity could be lost!

**We need you! Would your Club like to be involved?**

**Barbara Broadbelt has taken on the rota for manning our Tall Ships marquee in Sundeland in July. If you or your club could help with any of the sessions, please contact Barbara by at [barbarabroadbelt@btinternet.com](mailto:barbarabroadbelt@btinternet.com) as soon as possible.**

As we go to press, the event is almost upon us, and Rotary have an exhibition marquee at the South Dock, and Park and Ride information appears on the Tall Ships website.

On Monday 21 May Peter and Gwen Bramwell set off in the little old car on a sponsored drive to visit as many Rotary Club checkpoints as they could, hopefully ending up in Halifax on the afternoon of Thursday 24th. The object of the tour was to raise awareness of the challenge to rid the world of Polio, as well as to collect funds to help carry out the task.

There were 25 checkpoints in all, one for each Rotary district in England and Wales, from Cornwall in the South west to the most northerly, St Andrews in Scotland.

The car, above, was an AJS 9, built in 1930 by a company most famous for motor cycles, and was first registered in August 1931. The AJS stood no chance of covering the whole of the country in the time allowed, it was decided to attempt as many of the northern checkpoints as thought the car could manage.

The local district checkpoint was at Beamish Open Air Museum, so they set off to go there first so they would definitely manage one. They made it to Beamish, and set off again in the direction of Edinburgh with fingers crossed.

They arrived at the Edinburgh checkpoint about teatime, so had something to eat under the famous Forth Bridge. They had planned to spend the night there, but it was a pleasant evening so they crossed the new road bridge and drove round the Fife coastal route and made it to St Andrews and found a hotel. After breakfast they visited the checkpoint at the famous old golf course and headed for the next one at The Riverside Museum of Transport in Glasgow. This part of the run was not so hilly, so they kept up reasonably well with the traffic on the country roads, past the Quaker Oats porridge factory and stopped near Falkirk to be impressed with the Kelpies and the Falkirk Wheel.

Reaching the museum by late afternoon, and after a quick look round (most of the cars were on shelves up on the wall so you couldn't get a good look at them) they ventured into the rush-hour traffic in the middle of the city, and were so relieved when they eventually managed to cross the river and find their way out heading south, back on the country roads.

The next checkpoint was at Drumlanrig Castle, then the drive south towards Preston took them through Dumfries, Gretna Green, Carlisle, Penrith, Kendal and Lancaster. They arrived at the checkpoint at Barton Grange Garden Centre after it had closed, so took photos to prove they had been there and set off to find somewhere to sleep.

The muster point at the end of the run was at Halifax and they joined 30 other teams in the garden of Halifax Minster. Having been fed tea and sandwiches and congratulated, they admired the other vehicles, mostly modern and rapid, but including an old Transit pick-up converted to look like an old-fashioned dustbin wagon. A few teams had managed to visit all the checkpoints, covering almost 2,000 miles. Being the oldest vehicle on the event by many years, they had covered 630 miles by the time they got home to Lanchester, and were very satisfied and relieved!

When Rotary clubs began the campaign began in 1979, all over the world there were **1,000** new cases of Polio EVERY DAY. Because of immunisation, one country after another has gradually been declared free from Polio, down to the last three, Pakistan, Afghanistan and Nigeria.

There have been no new cases in Nigeria since 2016. Afghanistan had 14 cases in 2017 and 7 cases in 2018. Pakistan had 8 cases in 2017 and 1 case this year. There had been no new cases for ten weeks, but a case has just been reported in Afghanistan. The immunisation programme must continue.

A £10 donation means that 60 children can be immunised against Polio, thanks to 2 for 1 match funding by the Bill and Melinda Gates Foundation. To show that they have been immunised, each child has a little finger marked with purple dye – hence the “Purple 4 Polio”.

## Double delight at Rotary Washington

Rotary Washington were visited recently by “Washington Foodbank” organisers Clive Bowman and his wife Maureen to receive a cheque from funds raised at the recent annual Bop at the Biddick rock and roll night, held at North Biddick Club, Fatfield. Also present was Rotarian Rupa Nanavati, who helps at the foodbank, packaging food parcels.

Also, guest speakers at the lunchtime meeting were Lisa with her brother Robin, Directors of Specsavers, based in The Galleries. They had been asked to come along and explain what Specsavers was doing in respect of customer care, and especially in relation to customers suffering from Dementia. Rotarians present were very impressed at how community aware staff at Specsavers are, being involved with many special causes.

## Crocus planting 2018

Clubs can now get set for the planting of purple crocus corns, with activities taking place on or around World Polio Day on 24 October, 2018.

The planting of the corns is a great way of getting the local community and the whole family of Rotary involved, whilst raising awareness of the Rotary's polio story, and Rotary generally. This year, it would be a good idea to get local sports teams, sporting celebrities, sporting venues, disabled sports players, local leisure centres involved too.

Keeping the Rotary polio story in the media and public attention is key, and draft media releases and signature templates are available to help show off your brilliant work.

Once again, clubs will have the opportunity to partner with the Royal Horticultural Society's community - based gardening groups, who have already been informed of plans for 2018.

All materials for Rotary Clubs can be found at [www.rotarygbi.org](http://www.rotarygbi.org).

Please get your orders in as quickly as possible, as the price is fixed for the earlier of three million corns, or 340 June, 2018. The final deadline for orders is 31 July, 2018. Additional materials are available via the above website, including promotional leaflets, planting guides full of top tips, signature templates and more.

## Rotary and WW1

In November of this year, the world will mark 100 years since the end of WW1.

Rotary historian, David Fowler, is researching a feature for Rotary magazine, looking at Rotary during the wartime years of 1914-18, and stories involving Rotarians.

David would love to hear from Rotary clubs with any Great War stories, not just those serving on the Western Front, but other stories of Rotary life.

Stories and images should be sent to David at his email address, which is [dwfowler@waitrose.com](mailto:dwfowler@waitrose.com).

## Rotary Friendship Exchange (RFE) for Rotary North East England

District 1030 - Rotary North East England – has re-joined the Rotary Friendship Exchange programme this year, so that Rotarians from our District and their partners can again benefit from international exchanges with other Rotary Districts in 2018 and in future years. Our first Exchange team, from District 7430 South East Pennsylvania, will visit us in late Aug/early Sep 2018, and Apr/May 2019 is suggested for our return visit to the US.

During each stay, each couple or individual in the visiting team will be hosted by different Rotarian families for three to four nights in three locations across the district, with transport to and from Newcastle airport and between the locations provided by local Rotarians. The hub for the southern stay will be Stokesley/Middlesbrough, with Barnard Castle/Durham in the centre of the District.

We still urgently need six or seven host families for the northern part of the District. In return we will send a team of twelve to the partner district in Apr/May 2019, who will be selected from those who have hosted the incoming team. **More information** from Immediate Past District Governor Peter Chandler at [peter.chandler@which.net](mailto:peter.chandler@which.net).
