

New and Exciting – Join us at District Confernece 2017 at the Majestic Hotel (HG1 2HU) in Harrogate on the afternoon of Saturday 7th October and take part in the workshops below from 2.30 – 3.30.

FREE to attend and open to all, fill a car, join us and enjoy a day out in Harrogate, hope to see you there to help us celebrate Rotary in “The Great North East”

To book your places contact Alan Cartwright on denain@tiscali.co.uk by 30th September

Workshop 1 (Room 1 - 2.30 – 3.30) Community & Vocation projects

Topic 1 Vocation

Chairman: District Vocational Chairman Alan Cartwright

Speaker: Carol Richards, Learning Coordinator, Education Business Partnership Social Mobility - A Rotary Vocational Service Project. Find out how working in partnership with Education Business Partnerships (EBP) in our region, Clubs and Rotarians can engage with Schools, to encourage pupils, especially those from disadvantaged backgrounds to “Aim Higher”

Topic 2 Community

Chairman: District Community Chairman Jazmin Orrick Speaker: District Tree Planting Champion Rtn. Paul Keeley. Rotary International President Ian Riseley has issued a challenge. He is asking every Rotary Club to plant a tree for each of its members between July 1, 2017 and Earth Day, April 22, 2018. How are we going to do this? The Rotary Way! We plan. We work together. We find partners. We have fun. Get answers to all the questions of: What, where, when, how and the all-important how much will it cost?

Workshop 2 (Room 2 - 2.30 – 3.30) Youth - Rotary North East working in partnership to engage with the Rotarians of Tomorrow Chairman – PDG Terry Long

Topic 1 – Speaker: PDG Terry Long- "The NEW and Exciting RYLA Adventure week"; looking to the future - opportunities for RotaKids and Interactors to experience a weekend of adventure and personal discovery”.

Topic 2 –Speakers: Rtn. Thomas Chacko and Carol Harrison from RTC North (originally Regional Technology Centre). Rotary Club of Sunderland and Rotary North East working together alongside other Regional and National organisation with the objectives of: (1) Educating our local young people about the STEM activities taking place in the North East. (2)Inspiring our local young people to want to be a part of it and have a well-paid career. (3)Informing our young people about what they need to do to become so.
