Rotary Promotional Displays & Materials

See the appropriate PDF's for examples of the following materials.

Pull-Up Banner Stands

All Pull-Up Banner stands can have your Club name shown with the Masterbrand Signature at the top of the banner and your website address / QR code at the bottom.

Feather Flags

Feather Flags are available as 260cm x 60cm size.

They are supplied in a fitted carry case for ease of carrying and storage.

The complete contents of each item are:

- Fitted Carry/Storage Fabric Case.

- Feather Flag.

- 3 piece Aluminium Flag Pole.

- Cross Brace Base.

- Heavy Duty Water Bag.

The size of the fitted case for the Flag is approx. 120cmL x 22cmW x 3cmD (just like a gun or fishing rod case and fits easily into a car boot).

These 260cm (2.6m) Feather Flags are supplied as a pair.

Rotary Wheels

Rotary wheels are available:

- Two sizes (80cm & 40cm).

- Two colours (Rotary Gold and Rotary Azure Blue).

- Two thicknesses (10mm & 5mm).

Fully CNC machined and cut out.

Manufactured from hard wearing and lightweight "Foamex".

Magnetic Rotary Wheel

Magnetic "Mark of Excellence" Rotary wheels are available as a set (1 x 30cm & 2 x 10cm).

Counter/ Pop-Up Kiosk

The two current themes for the Kiosk can be modified to suit your requirements including your club name on the header.

The Rotary pop-up backdrop is ideal for getting the rotary message over in all of your photographs. (again can be modified to suit your requirements.)

To make the most of the versatility of the kiosk the graphics are held in place by Velcro making them easily removable and thus the re-branding of the kiosk theme is easy.

The Promotional Counter/Pop-Up Kiosk is supplied with full colour graphics (Base & Header) which can be supplied to your own design or based on the two current designs currently available (these can be modified to suit your requirements).

Replacement graphics are also available.

Tension Fabric Exhibition Display:

Printed both sides and fully reversible. Lightweight and compact to carry.

Note: The PDF example showing the LOGO side of the Display was created as a one-off for a particular event in Scotland.

All others would have the Rotary Scotland replaced with the current Rotary Masterbrand Signature.

Hanging Banners

Large Vertical or Horizon PVC hanging banners (c/w eyelets) 200cmH x 80cm:

Large Vertical or Horizontal PVC hanging banners (c/w eyelets) 300cmH x 90cm:

PVC Hanging Banners are available in various sizes to a maximum width of 140cm in both Horizontal or Vertical layout

Gazebos

These are coming soon:

We are waiting for the first delivery from China of the new Rotary branded gazebos.

These are (3m x 3m) and are fully branded and complete with a full size rear wall and 3 x half walls printed both inside and outside.

The price is not known until they have cleared customs, vat etc. but should be available May/ June 2016.

Delivery of Materials

Approximately 5-7 days for Pull-Up Banner stands.

Approximately 10-14 days for Feather Flags.

Costs:

See separate PDF for current costs
