

Indonesia Lombok and Sulawesi

Shelter box and Aquabox are the best first response for this disaster. Details of how to donate has sent out to all Club Secretaries.

<https://www.shelterbox.org/indonesia-earthquakes-and-tsunamis-appeal#donate>

<https://www.aquabox.org/>

ShelterBox has a response team on the ground in Indonesia providing aid to families who are in desperate need. Aquabox is also sending water filters and aid boxes to Indonesia, donation details for Aquabox are above. Donate to ShelterBox's efforts in Indonesia or Aquabox.

EXCELLENT SAND DAMS

District 1040 Support Sand Dams

In our District Conference at Scarborough Tony Perryman International District Chair signaled our intention to support the building of a Sand Dam in Kenya. This will be an 18-month project working with "Excellent". The cost to build a Sand Dam will be £20000.

Excellent Development is a registered charitable company that supports some of the world's poorest people to transform their own lives through water and soil conservation in drylands. They do this in three ways:

- By working with local partners, they support rural communities to gain access to clean water close to their homes and to invest in sustainable agriculture.
- By pioneering sand dams, Excellent promote and support the application of sand dam technology by key stakeholders in drylands.
- By influencing and educating those who can help achieve Excellent's vision including – but not limited to – policy makers, international NGOs, government departments and civil engineering firms.

We have agreed that to make this work it is vital that we have a deadline, a project plan and milestones. If your club would like to participate in this project would you in the first instance let me know by email tonyperryman@sky.com the following link will give you an insight into the work Excellent do

Teachers for Sierra Leone

EDUCAID

EducAid runs an educational network comprising of free schools, teacher training, and tertiary programmes in Sierra Leone. We provide distinctive, personalized, top-quality, holistic education and support to vulnerable young Sierra Leoneans.

District 1040 has been working with this charity for the last four years. The District had sponsored a Doctor in Liverpool University. There are only 120 doctors in Sierra Leone. We have also sponsored teachers over the last three years, it costs £2500 for each teacher and we have raised £6500 to this end.

If your club would like to donate the details are as follows; Make donations to the following bank account "Rotary Club of Brighthouse EducAid Account" Sort code: 20-35-84 Account number: 03508714
