

A cool, damp Yorkshire Summer is already giving way to thoughts of Christmas (no, really!) Before that, there's a glorious Rotary Bank Holiday to enjoy with plenty of fun for you and your family and friends to take part in. Why not invite someone along who you'd like to join the club in due course?

regards
Julia

Well worded?!

The Rotary Club of Otley Chevin and the Aireborough club made a splash in the Ilkley Gazette and the Wharfedale & Airedale Observer giving out Dictionaries 4 Life, presented by Rotary President David Wilkinson and Community Chairman John Kitchen.

Osset club has also been involved in this very successful project as have Aireborough Rotarians led by Barry Bootland and John Moorhouse who've been visiting the 11 Primary Schools in Rawdon, Guiseley, Yeadon and Horsforth where the Club presents annually 400 dictionaries to excited and grateful pupils and teachers. Here are some details and some lovely images to [understand more](#).

The many smiling faces in the pictures can make local papers very interested in the story! How will Rotary capitalise on these young fans, and their parents and teachers, for the future? Ideas on keeping in touch to convert beneficiaries into members would be most welcome... anyone?

At the foot of education.

300 million children go barefoot in the world of whom 58 million are not in school. About one in ten cannot attend because they have no shoes. [Here are the details about an amazing way](#) for all District 1040 to make a bag of shoes count in 34 countries worldwide! Take a look at Sal's Shoes [here](#) and get involved in the project - a good contact is [Aireborough Rotary](#) though many others may be involved.
