

Publicity works! Not my words but those of a happy Rotarian whose fundraising event is a sell out. If you saw an event you wanted to attend or you actually went along because of this e-newsletter, I'd love to know.

Please go on telling us about your future plans. Do you know, you can post a link to the newsletter on social media and send it to friends and contacts to keep them interested in Rotary? This is a way of building profile and, ultimately, recruiting new members. Ask me how!

Regards as ever.
Julia
