

INDIVIDUAL ORDER FORM

Purple is the colour of the polio campaign and Rotary Lytham has worked with local company Sandgrown Spirits to create **Passionately Purple**, a magical colour-changing gin, bursting with the flavour of blueberries. Deceptively dry, this smooth juniper-led gin has been made with nine carefully selected botanicals and it has an extra magic. Every bottle sold will raise £6.20 towards the End Polio Now campaign and every £6.20 raised will attract a further £12.40 from the Bill and Melinda Gates Foundation and that's enough to vaccinate 93 children.

If you share our passion to end Polio, order a bottle of Passionately Purple Gin now. You'll enjoy a magnificent craft gin and every sip is a lifesaver.

Bottles cost £35 each plus Packing and Post of £5.50. Two to six bottles P&P £9.95

I want to enjoy the great taste of PASSIONATELY PURPLE GIN and help the campaign to End Polio Now
