

Only 4 days after launching their Appeal Fund on 3rd April, Preston Rotary Club have made their first donation of £1000 to a local charity- and they chose us- Paignton Community Larder. We are so pleased to have been chosen as their first beneficiaries said Anita.

We are very grateful to have the support of a number of local groups. Preston and Paignton Rotary Clubs have been great supporters since we launched the Larder in December 2017. No one could ever have imagined the increase in referrals we have seen recently – 300% up on a year ago and climbing - and somehow, they manage to keep coming up trumps. I know they have had to launch an appeal to the general public for cash as support a number of local charities and details of this can be found on their website at www.preston.rotary1175.org. Thanks Rotary.

The photo shows Anita Davies from Paignton Community Larder maintaining the recommended 2 metre gap as she receives the donation from Keith Wilby, Chairman of Preston Rotary's Community and Youth team.
