Leadership, Development and Training
Have you ever wanted to be at the spearhead of the ever changing face of Rotary? Do you possess excellent facilitation, communication and leadership skills? If the answer is yes, then why not apply for the position of Facilitator at one of the RIBI Assemblies?
Applications are invited for Facilitators of the Assistant Governor groups at the Leadership Assembly and for Facilitators at the Regional Assemblies.
Full details can be found in the Leadership Development & Training section of the Rotary in Great Britain and Ireland website, along with job descriptions, competency indicators and application forms.
The closing date for all applications is 22nd October 2016

Developing New Rotary Cubs
It’s great news that we have chartered six new clubs in the first three months of this Rotary year. However, this is nowhere near enough to compensate for those clubs we have lost in recent months. Last year each district was tasked with making sure that there is a vibrant club in every community and this year, that they charter at least one new club.
The RIBI Membership team have plenty of resources available to help with development of new clubs, whether these are formed in the traditional way or by using a Satellite Club. There is a dedicated page on the RIBI website with guidance documents and all the necessary forms.
In addition, there are two eLearning courses on the RI Learning Centre for Traditional New Club Formation and for Satellite Clubs.

Donations Trust
Rotary International in Great Britain and Ireland President Eve Conway has launched an appeal via the RIBI Donations Trust to help with the post-earthquake phase of the Italian earthquake.

Head to Madrid for Institute 2016.
One of the great events of Rotary is the Rotary Institute, a multi-national regional conference. This event brings international Rotary leaders together to share ideas, information and inspiration.
This year we combine with our friends from Spain, France, Italy, Germany, Portugal and more in Madrid.
The theme for the Institute is ‘Rotarians working together for a better future’ and by strengthening our friendships, between us we will be able to do more to serve humanity.

Celebrate World Polio Day

World Polio Day will be taking place on Monday 24th October 2016, so it's time to get thinking about how your club can mark this important occasion!

Submit Your Planting Event

Rotary clubs have shown incredible support ordering over six million corms for mass crocus planting activities.
Head to the Rotary website to submit your event and you will appear on our crocus planting map, which we want to see covered in mini purple crocuses!

A paraprosdokian is a figure of speech in which the latter part of a sentence or phrase is surprising or unexpected in a way that causes the reader or listener to reframe or reinterpret the first part.

I asked God for a bike, but I know God doesn't work that way. So I stole a bike and asked for forgiveness.

Do not argue with an idiot. He will drag you down to his level and beat you with experience.

I want to die peacefully in my sleep, like my grandfather. Not screaming and yelling like the passengers in his car.

Going to church doesn't make you a Christian any more than standing in a garage makes you a car.

The last thing I want to do is hurt you. But it’s still on the list.

Light travels faster than sound. This is why some people appear bright until you hear them speak.

If I agreed with you, we’d both be wrong.

**The Four Way Test.**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

**The Object of Rotary** is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **First.** The development of acquaintance as an opportunity for service;
- **Second.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society.
- **Third.** The application of the ideal of service in each Rotarian’s personal, business and community life.
- **Fourth.** The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.
