Dear David

What a lovely surprise I got at last night's East Cliff Rotary dinner; the cheque presentation far exceeded expectations! We are extremely grateful for the £1,600 raised by the Annual Road Race, which will be used to improve our home visiting services for the blind and partially sighted.

I would like to thank a number of people:

- * Thank you to you, David, for selecting Bournemouth Blind Society as one of the charities to receive a share of the Road Race monies
- * Thank you to the Rotarians of East Cliff for their willingness to support us
- * And thank you to all involved on the day. We certainly enjoyed being part of a wonderful community event

The relationship we have been able to form with the East Cliff Rotarians is a precious one to us and we hope it can strengthen year on year.

As I think you know, we receive no unconditional Government funding and rely a great deal on the generosity of people such as yourselves. All donations received in this way are put directly into front line services to provide vital ongoing support to visually impaired people.

Once again we thank you for your generosity, we are really grateful for your continued support.

Yours sincerely

Philip Tarrant
