

# So what is Rotary and what does it do?

## *Although you may not know*

much about Rotary you are almost certainly familiar with some of our activities. Think Santa Fun Run, jointly organised by Marlow and Marlow Thames Rotary. Or Cookham Regatta where the Cookham Bridge and Marlow Thames clubs come together. They are both enormously successful local events organised entirely by Rotarians and they each raise over £15,000 for their selected charities.

## *Service Above Self*

is our motto and we raise money for good causes. We do like to have fun and our weekly meetings have been known to dissolve into hysterical laughter. The point is, we are not just serious single minded worthies, yes we want to help others but we definitely want to enjoy ourselves at the same time.

# Find out more about Rotary Club of Marlow Thames...

We meet for dinner most  
Wednesdays from 7.30 - 10pm

at

**The Kings Head,  
Church Road,  
Little Marlow, SL7 3RZ**

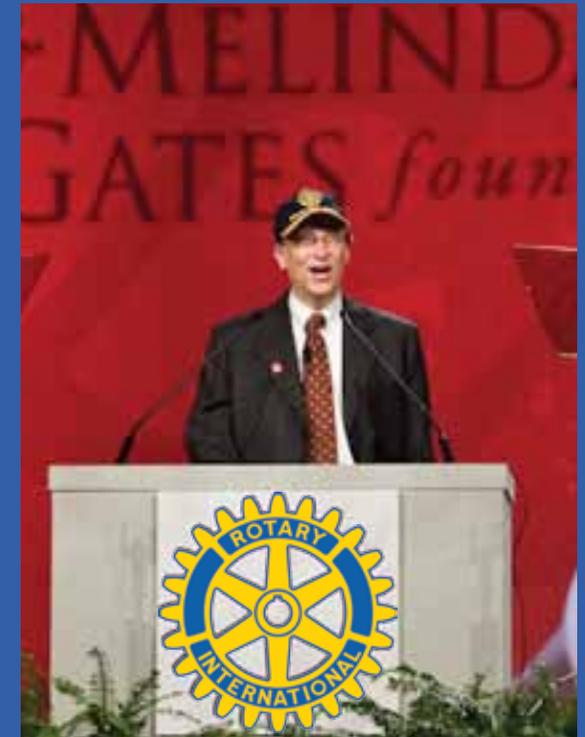

***New members  
very welcome***

**0845 643 5748**

# Could you make a difference

# ...to your world?

The fact is we can all make a difference, not just for others but to our own lives.

Perhaps we might not be able to make quite such an impact on our neighbourhood (or the world) as Rotary which with the support of the Bill & Melinda Gates Foundation, has raised more than \$1.2 billion in their commitment to eradicate polio world wide.

But at Marlow Thames Rotary we can help others and enjoy ourselves at the same time.

If you like meeting people, having fun and making a difference, join us at Marlow Thames Rotary.

You'd be very welcome.

Marlow Thames Rotarians enjoy themselves...

Marlow Thames Rotarians help others...

by meeting regularly with friends to listen to speakers on topics as varied as:

the history of Lancashire's cotton mills, the fun of flying Concorde, life of Bourne End Marina, a veteran's account of Dunkirk...

running social events including:

medieval banquets, Segway racing, Burns night suppers, open air concerts...

organising visits to:

national institutions organisations, local and overseas Rotary clubs theatres and events.

by using their skills to raise over £30,000 a year and having fun organising:

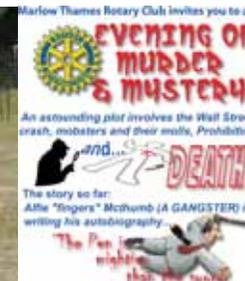

the Marlow Santa Fun Run, the Cookham Regatta, concerts, casino and murder mystery evenings, running bars and barbeques...

supporting local, national and international causes including:

Air Ambulance Trust, Longridge Youth Activity Centre, Marlow Disabled Play Group, Helen & Douglas House Children's Hospice, Comic Relief...

and working in the local community:

giving school leavers interviewing experience, gardening for the disabled, painting a youth centre and... **having fun.**

Rotary

Having fun helping others
