

With the money we receive from our successful Worsley Rotary Club Dragon's Den bid, we set up a Storytellers' course for parents of children receiving Imagination Library books. In Sept 2016 parents attended our first Storytellers course at Summerville Primary School Salford.

May 2017 - Some of the first group of Storytellers came back to tell us about the impact the course is still having on their storytelling. They each received an additional book as a gift from a kind sponsor.

One of the Storyteller mums, and her little girl, practised some of the new techniques learned on the course.

In June 2017 we began working with our second group of Storyteller mums.

June 2017 - Here are some of our volunteer Storyteller coaches and Mike Collier President of Worsley Rotary.

Mike Collier presents one of the Storyteller mums with her Storyteller's Certificate of Attendance.

June 2017 - Some of the storyteller coaches meeting to discuss forthcoming training.

September 2017 – Lark Hill Volunteer Storytellers and Imagination Library Coaches introductory meeting.
