

Unloved? Unwanted? Outgrown?

Are you being FAIR to your unwanted Christmas presents, unopened perfume, discarded toys, golf clubs or antiques etc? Do you think they are happy mouldering away in the attic, or collecting dust on a shelf? Maybe you have been intending to take them to a charity shop, car-boot sale or sell them on e-Bay but haven't got round to it?

Help is at hand and just in time for a summer clearout!
