

DIDCOT ROTARY CLUB

COMMUNITY GRANTS UP FOR GRABS!

Are you a local organisation needing help to buy equipment or specialist resources?

If so, then Didcot Rotary Club wants to hear from you.

Grants of up to £500 are available, using money raised by the Club at events in the Didcot area. Applications are sought from any local group in need of funds, including charities, sports clubs, community organisations, playgroups and youth groups.

All organisations must be based in Didcot or the surrounding villages.

Requests for larger amounts will also be considered, under Didcot Rotary Club's general grants scheme.
