

# Stonehouse Rotary Community Awards

## SMALL GRANTS, BIG DIFFERENCE

A programme to support organisations within the Stonehouse area with a small grant – upto a maximum of £500 – which will make a real difference.

2018 was the first year of our programme which was run in this area, and following the success, we are offering a further opportunity to local organisations.

We have been greatly encouraged by the way that small injections of cash can make a real and lasting difference to the running of community organisations.
