

ROTARY ROUNDABOUT

Welcome to Rotary

Rotary is a worldwide non-political organisation with 1.2m members in 34,000 clubs in over 200 countries.

Rotarians are enthusiastic, active and fun-loving volunteers who give their time and talents to serve communities at home and overseas.

In Hart Rotary our primary focus is on local good causes -28 last year- encompassing youth activities, disabilities, special needs in schools, senior citizens and hospice care. We also aim to foster local community spirit by organising events such as the HW Village Festival..

Full House at the Festival

On the international front we support relief work in underdeveloped countries, working through accredited agencies on specific projects, often in co-operation with Rotary clubs in those countries.. In the past year these projects have included polio eradication , disaster relief, sanitation, school meals and medical provision.

International Disaster Relief

To fund all these activities we need to raise just over £50,000 pa, and in this we depend on the work of our members and the support provided by the Inner Wheel of Hart, the Friends of Rotary, and other local volunteers who give their time and effort to the organisation of our main events.

We are also indebted to the generosity of local residents, particularly in regard to our Christmas collections which this year raised:

£8,860
