

ROTARY ROUNDABOUT

What's Cooking?

Refurbished kitchen

Since 2017 children at Oakwood Community Pre-School have been able to have hot meals prepared in the school kitchen. The kitchen, however, was installed ten years ago for more limited use, and its design and equipment has proved inadequate for the current need.

With the help of an Award from Hart Rotary the kitchen has been redesigned and refurbished to cope with the increased demand, which enables up to 20 hot lunches in addition to morning snacks.

Festival Stop Press!
Potential entrants to the 2019 HW Festival procession please note that the procession theme is now "Hartley Wintney History"

Scouts Out & About

Hartley Wintney's Explorer Scout Group caters for 14-18yr olds, and focuses on venture activities such as mountaineering, parascending and sailing. The group has been running for five years and has grown in size and popularity to include 14 members – both boys and girls.

Among their regular activities are over-night camping expeditions entailing the use of tents and related equipment. Most of their camping gear was gifted to them second-hand at start-up and is now well past its best. Hart Rotary has therefore been pleased to make an Award of £750 towards the cost of purchasing 5 two man tents together with cooking equipment and emergency systems to enable them to cope with increasing demand.
