

Setting up a 'My Donate' page to allow sponsors of swimmers in your **PURLEY SWIMATHON 2018** team to make donations to your team on the web.

Organising a web-donations page for your team at the PURLEY SWIMATHON 2018 means that sponsors of your swimmers can make donations on the web.

It means swimmers can email friends, colleagues and relatives to tell them they are taking part, the team they are swimming for, and how they can sponsor them by making a donation on the web.

It helps swimmers obtain sponsors, and collects donations for them.

Donations will be received by the Purley Rotary Club Trust Fund (Charity number: 803700) as the charity organisers of the Swimathon, and a cheque will be sent to you as your Team's organiser after the event.

All sponsors are automatically sent a 'Thank You' email.

Setting up your site is explained in the step by step instructions on the following pages and should only take a few minutes. If you used my Donate last year it's even quicker!

As you are organiser of the team you will need to:

- 1 Give your email address as the Fundraiser for your team (*to receive details of amounts given*), and
- 2 Include your TEAM name where you would normally put your own name as the Fundraiser (see instructions on slides).

You'll see that you can also include a photograph and details on the Charity or Organisation that will be the recipient of donations.

To set up your Fundraising page paste this URL into your browser:
