Rotary Youth Leadership Award

20th - 27th July 2019

You could take part in the Rotary Youth Leadership Award

“...It has been an experience I will treasure for a life time....”

What is Rotary?

Rotary is a worldwide network made up of over 34,000 Rotary clubs around the world. Rotary International forms a global network of business, professional, and community leaders who volunteer their time and talents to serve communities locally and around the world – and form strong, lasting friendships in the process. Our motto, Service Above Self, exemplifies the humanitarian spirit of the 1.2 million Rotarians worldwide .

What is RYLA ?

It is a Rotary International programme for young people. It offers young people one of the most rewarding experiences of their lives by taking part in developing qualities of leadership, team working, initiative and problem solving at the start of their careers.

The programme develops a more complete personality and the new found confidence and skills are brought back into the workplace and community.

How does RYLA work?

The course is for young people at the start of their working life.

Participating Rotary Clubs select representatives of either sex as its nominees.

Clubs ensure that the young people chosen come from a wide background of abilities, vocations and social levels who are considered to have leadership and development potential.

Where does it all happen ?

The week long course takes place at Rhos-y-Gwaliau, a small hamlet near Lake Bala in the Snowdonia National Park, North Wales. www.rygoutdoor.co.uk/Welcome.html One Rotarian works with each group to assist the staff instructor.

Originally the village school, the Centre was adapted to become an outdoor educational base for Berkshire schools.

Now privately owned the Centre is the ideal site for this Rotary inspired course. The Centre is staffed by a small group of dedicated and talented course leaders, professionally qualified in the specialized field of outdoor leisure pursuits.

In all activities the highest standard of safety is paramount.

Who is selected ?

The short answer is that there is no particular type of person. Indeed the success of the course depends on there being a good mix of both sexes of different ages (between 18 and 25), backgrounds and experience, all with leadership potential.

The commitment and determination by the participants to succeed is most impressive.

The course is also designed to develop the latent talents of anyone held back by lack of confidence. Candidates must be prepared to contribute to as well as benefit from the course and preference will be given to those who would not otherwise get the opportunity to take part in such an award scheme. It will be an alcohol free week.

Please note that candidates must be 18 years old by the first day of the course.

Commitment

The candidate who will gain most is the one who is prepared to contribute most !!!

Candidates will meet with the sponsoring club to ensure that those selected are done so for their ability and attitude to maximise their leadership potential.
