## **620 have so far decided to join us. Thank you all.**

So what is the news this week? Your great response to Inspire Success Jersey 2018 has led us to arrange additional capacity at many events. Full details are given overleaf. Do read them carefully as you may now be able to amend your registration to include attractions previously marked as full.

Sadly this has not been possible for the Gala Dinner, where the limitations at Jersey venues has resulted in a maximum capacity of 370. HOWEVER the good news is that guidance is given below and overleaf about alternatives where you may well be able to arrange a Club Dinner, should you wish.

To update your conference registration, [follow this link and select the pink button at the bottom of the page](#). Then select Amend Existing. You will need your registration number and password as chosen by you and confirmed in the email sent to you at the time of the original booking.

### **Gala Dinner and Alternatives:**

Alternatives to consider.

- All the conference hotels (other than the Pomme d'Or where the Gala Dinner is located) are capable of providing a location for a Club Dinner with a menu of your choice. Early contact with your hotel

will enable you to establish the possibilities available.

- Jersey has a wonderful selection of restaurants ranging from simple pub fare to Michelin star excellence. Below we give links to various websites which should help you make your selection. Most of you will not be bringing your car with you, but this need not limit you to restaurants in St Helier. The bus routes 1 and 15 run late into the evening with a frequent service and would allow visits to restaurants either in Gorey to the east or St Aubin in the west. See link below to Liberty Bus for details.
- October in Jersey is the month of "Tennerfest", when most restaurants and hotels have a good "table d'hote" menu available giving a 3 course meal for, no not £10 anymore, but usually in the range £15 to £20 per person. This is very popular with locals and can result in disappointment if reservations are not made well in advance. The advice then is BOOK EARLY as soon as the menus are published during September. The link below takes you to the Tennerfest web site and Facebook page so that you can follow their announcements and make your booking at the right time.
- Some clubs have already asked for recommendations. Sorry but this is not possible. "One man's meat is another man's poison", as they say. In any event, as I am sure you will appreciate, we do not want to be seen by any of our restaurants/hotels as appearing to favour one over another.

## Vin d'Honneur:

- We already have 2 events but both their capacities have been increased from 200 to 300. Feel free to sign up to one of them if you have not already done so. There is no extra charge!

## PeaceJam Slam:

- We are working hard to ensure that this event is a valuable experience for both the young people attending and the many Rotarians already registered to join in.
- This year a party of 28 are travelling from Jersey to attend the PeaceJam UK conference in Winchester on 3rd/4th March. All of them will help us to promote our PeaceJam Slam on their return.
- We have been assured by our young people that they will not be put off by Rotarians attending their Slam. We have therefore scrapped the 200 limit we initially set for Rotarians and opened up fully to 400! Again there is no extra charge for this.
