

HOUSE OF COMMONS  
LONDON SW1A 0AA

7 July 2020

Dear Madam President and Rotarians,

The Rotary motto is 'Service above Self' and during these unprecedented times, your members have certainly embodied this.

I want to send you all my deepest thanks for everything you have done to support your fellow members, as well as the wider community, including in my constituency of Gower. Your tireless work has certainly not gone unnoticed.

The range of help and support your members have provided across Southern Wales is remarkable, from the incredible £115,000+ that has been raised for good causes, to making Goodie Bags for care home residents, and delivering groceries and prescriptions. All of this has been done while many of your members work full time, and others have been unable to leave home. I applaud you all for stepping up during this time of uncertainty. Your work will have made a huge difference.

I also want to applaud you for keeping your own community together by adapting to the changing times and meeting virtually. Maintaining a sense of community and belonging whilst not physically meeting is so important, so it is great to see that you have been able to do this.

Once again, I want to thank you all for stepping up to the challenges our communities have faced during Covid-19. I wish you all the best moving forward..

Yours sincerely,
