

Dear Maggie

I was very pleased to receive your email attaching the letter sent to The First Minister.

Congratulations and thank you for the Rotary's wonderful support of our communities.

It was opportune to hear from you at this moment as I am writing a report to The Prince of Wales presenting a picture of what is going on in the county and I hope to include a reference to the sterling work that you do. Your attached letter identifies the successes. I wonder what difficulties you face also? Are you able to continue with your projects and fundraising in some form at this time and do you have any concerns about the future? It would be interesting to identify and to be made aware of the challenges as well as the successes.

I look forward to hearing from you and wish you every success for the future.

Best wishes,

Morfudd
