Judge's Name: …….. **Date of Judging: ……**

Judging Criteria: Technical Merit (TM), Content & Composition (CC) and Imagination & Style (IS) against the theme 'Beauty of Nature'.

Scoring Guide:

1. Less than satisfactory for age group.
2. Satisfactory for age group.
3. Good for age group.
4. Excellent for age group.
5. Outstanding for age group.
6. Astonishingly sublime for any age group.

Scanned Picture Adjustment (SPA): a subjective adjustment score, up to 3 total in value (ie, 1 for each photo), which you may award to a scanned photograph collection which appears to have been degraded from its original photographic print (this should only affect the technical merit score).

Tied Scores: where scores are tied, add an extra half point to the best of the tied collections.
